

# Scottish Men's Shed Open Doors Week

## Men's Health Week—15-21 June 2026

Drop in. Join in. New friendships start with a step inside!

**Shed Open Doors Week 2026 is here—and you're invited!**

Curious what really goes on inside a Men's Shed? Spoiler: it's not just tea and tall tales (...okay, it's mostly that). Whether you're creative, crafty, community-minded or just want a cuppa and a chat, step through the Shed door and see what's waiting for you.

**Walk in a stranger. Leave with three new pals and a project you didn't plan to start! Begin your Shed journey this Shed Open Doors Week.**
